Dear Prospective Delta GEMS:

Thank you for your interest in our esteemed program designed to assist young ladies in growing and empowering themselves successfully. The Dr. Jeanne L. Noble Delta GEMS Program is an extension of the Dr. Betty Shabazz Delta Academy Program. Delta GEMS was created to “catch the dreams” of adolescent girls aged 14-18 and/or grades 9-12th. Delta GEMS provides the framework to actualize those dreams through the performance of specific tasks that develop a “CAN DO” attitude. The goals for Delta GEMS are:

- to instill the need to excel academically;
- to enhance girls skills to achieve high levels of academic success;
- to assist girls in proper goal setting and planning for their futures, including high school and beyond; and
- to create compassionate, caring, and community minded young women by actively involving them in service learning and community service opportunities.

The GEMS framework is composed of eleven major components, forming a road map for college and career planning. Topics within these components are designed to provide interactive lessons and activities that provide opportunities for self-reflection and individual growth. The components are:

The Aha! Moments	Leadership Development	Financial Achievement
Socialization	Service Advocacy	Educational Preparation
Self-Awareness	Skills for Success	Career Preparation
Disaster Preparedness	Healthy Lifestyle Habits	
	Financial Preparation	

For consideration into the Delta GEMS program, all applicants must complete the provided application, including a personal reference and essay as detailed. All application components must be emailed by **November 03, 2023 (extended deadline)**. Space is limited. Only accepted applicants into the Delta GEMS program will be notified by phone and/or email. GEMS Member & Parent **must attend the virtual mandatory** Orientation via zoom on **November 9th, 2023 at 6:30pm**. Failure to attend orientation will result in GEMS Member not being able to participate this year. The Delta GEMS program is scheduled to meet once per month on: **November 11th, 2023, December 9th, 2023, January 13th, 2024, February 10th, 2024, March 9th, 2024, April 13th, 2024, and May 18th, 2024**. **These meetings will be held in-person**, and location will be announced at the orientation.

Like a gemologist who can see the hidden treasure in unpolished jewels through the use of certain tools, the Delta GEMS logo uses the polished jewels as a symbol of the many facets that shine and glow within our young African-American women. Thank you again for your interest in Delta GEMS and we look forward to building lifetime relationships and implementing exemplary programs.

**Please email all components of the completed application to:**
